New York, NY 10021

Dear Mrs. Nakamaru:

Thank you for inviting CIA Director William J. Casey to appear on your PBS television series "Following the Sun."

Mr. Casey has asked me to extend his regrets. As Director of Central Intelligence, it would be inappropriate for him to comment on many subjects and as a result he has declined all invitations for TV interviews.

We wish you a successful series on PBS.

Sincerely,

George V. Lauder
Director, Public Affairs
